"VERY HAPPY WITH THE END RESULT"

SOLD

"We had our house on the market for 12 months and did not do well with the other local agent. So we took it off the market and then put it on the market again with Kush Chetri. It was sold within 2 weeks of it coming back on the market! We were very happy with the way things were handled. The price that we wanted, we got, and Kush kept us informed the whole way through with his communication - unlike other people. We were very happy with the end result."
