Important advice about the median sale price: The median sale price is provided to comply with section 47AF (2) (b) of the Estate Agents Act 1980. The median selling price for a residential property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of 2 residential properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales

A These are two properties sold within five kilometres of the property for sale in the last 18 months that the estate agent or agent's representative considers to be most comparable to the property for sale.

Address of comparable property	Price	Date of sale
103/1 OAK AVENUE, BORONIA VIC 3155	\$350,000	16/04/2024
201/8 TULIP CRESCENT, BORONIA VIC 3155	\$360,000	16/08/2024

B The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months.
