

Geelong West 30 Candover Street

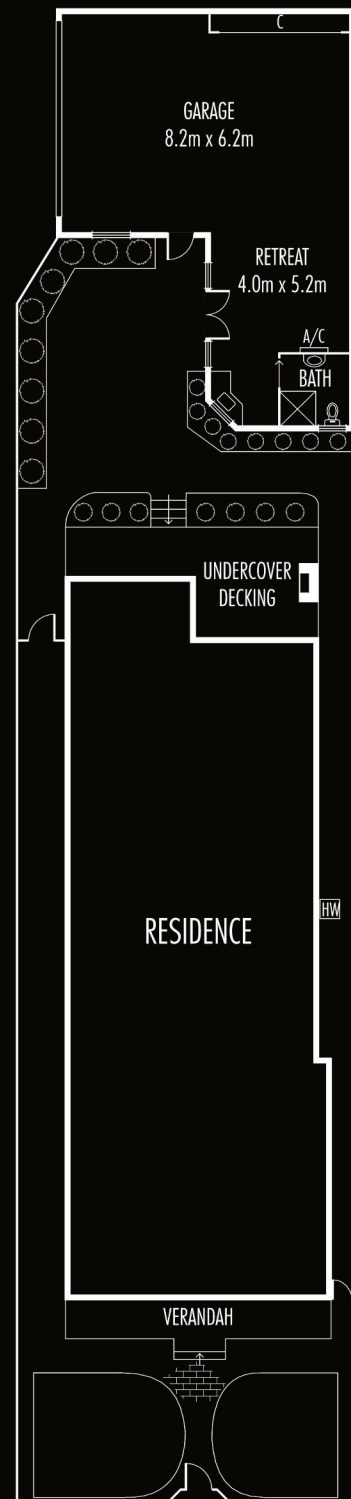

Wonderfully sited with broad frontage in an incredibly popular West Geelong position, this home is a fine example of the Victorian style. It offers a classic blend of spacious open plan living within an accommodating floor plan, all within a leafy north facing garden setting. Introduced by a wide arched entrance hall featuring Baltic pine floors and high decorative ceilings, a series of generous spaces include 3 BRs plus study, central family bathroom, air conditioned casual dining/family room progressing to alfresco decking with an outdoor OFP. The kitchen with walk-in pantry serves as a central hub and is complimented by quality European appliances. A rear lane way provides access to a free standing DLUG that includes a self-contained studio, work shop or kids retreat.
