- ✓ *The property within the boundary and within 30m of the main building*
- ✓ *The exterior of the building*
- ✓ *The sub-floor (if applicable)*

Any coverage or limitation details are disclosed within the building report.

## Certification:

I hereby certify that I am a licensed Building and Pest Inspector and I have carried out the property inspections on site at the above address to the Australian Standard 4349.1 Building Inspection and 4349.3 Timber Pest Inspection and I am competent to undertake these inspections.

The inspections were undertaken on a professional basis and seek to represent a factual, unbiased and balanced assessment of the property. We have no financial interest in work that may be recommended or share of any commissions if the property is sold. We are completely independent of any property vendor, any purchaser or any other party that holds a financial interest in the property.

The building and pest inspection reports on the above property are available to prospective purchasers at a discounted rate of \$265 Inc GST by calling the office on 0410332749.

Signature

An inspection carried out in accordance with AS4349.1 and 4349.3 is not a statement that a property complies with the requirements of any act, regulation or bylaw, nor is it a warrantee against any problems developing after the date of the property report. Refer AS4349.1 and AS4349.3 for further details. Conditions apply.
