***Important advice about the median sale price:**

When the Statement of Information was prepared, publicly available information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sales price that met the requirements of Section 47AF (2)(b) of the *Estate Agents Act 1980*

Comparable property sales

B* The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months.
