September quarter 2020: \$770,000

Comparable Properties

The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within two kilometres of the property for sale in the last six months. This property is unique in the sense that it is street facing & 22 squares which is bigger than all town homes and most homes in the area but obviously on a smaller block of land. Therefore nothing has sold similar to this.
