

Hi Josh

pretty much the same as what Nicki said, great for entertaining, indoors our outside (pool parties, BBQs etc....). a "retreat" out in the shed for teenagers to gather or adults who need to chill. separate TV areas for those who want to watch something different on TV or watch a movie instead.

relax and have a spa in the pool or inside.

enough room for a pet to run around.

room to store a caravan, boat, camper trailer etc....

very private.

great for cooking, plenty of space in the kitchen.

Regards

BJ

Hi Josh - Sorry, I sent this to BJ to add to and forward to you, but he has sent separately.

Here are some of the things we have enjoyed:

Great for entertaining, 3 x separate living areas plus huge outdoor area, Oversize x 3 bedrooms - ensuited, 3 bay shed for home business and storage, great bay breezes, secure - fully fenced, Plenty of cupboard space for storage throughout home

Thanks
