To whom it may concern,

Re: 14/61-63 Bailey Street, Belmont

We wish to advise that having inspected the above-mentioned property we feel that an expected rental income of approximately \$470 - \$500 per week is achievable; however the market will tell us if this is a fair and reasonable assessment. This figure is dependent on the size of the rooms, amenities provided and furniture provided.

Our property management department is a dynamic team of professional achievers who excel through enthusiasm, determination, and a commitment to delivering a superior service. A dedication to continuous improvement provides a foundation to achieve the best results and satisfaction for our clients, while being recognised as industry leaders in the Geelong area.

If I can be of further assistance, please do not hesitate to contact me on (03) 5223 2040.

Regards

McGrath Geelong
