*The median sale price is provided to comply with section 47AF (2)(b) of the Estate Agents Act 1980. The median selling price for residential vacant land property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of 3 properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales

B The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months.
