Important advice about the median sale price: When this Statement of Information was prepared, publicly available information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sale price that met the requirements of section 47AF (2)(b) of the Estate Agents Act 1980.

If the property for sale is vacant land which is part of a residential development, consider whether a median price can be calculated as other blocks of land in the development are sold and, as required, update the Statement of Information for the property for sale.
