Reason there are fewer than three comparable properties for a unit type or class

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The properties are brand-new and comprise a two-bedroom, two-bathroom unit and a three-bedroom, two-bathroom townhouse. Due to their new condition, design and unique configuration, fewer than three recent sales have been identified that provide sufficiently direct and reliable comparisons.

Sale outcome

The sale price of each property within the unit type or class covered by this PPS must be included in this section within seven days after the unconditional sale unless an application for an exemption is pending or an exemption has been granted.
