Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable sale has been included in the Property Price Statement for 113 Cemetery Road, Lancefield, due to the limited availability of properties with similar land holdings, dwelling characteristics and infrastructure that have sold within a 5km radius.

The subject property comprises approximately 20 acres and includes a dwelling that underwent renovations approximately 10 years ago, together with established infrastructure including stables and a machinery shed. While the property would benefit from further upgrades and improvements, its substantial land holding and existing infrastructure contribute significantly to its overall market appeal and value.

In determining the estimated selling price, consideration has been given to the property's land size, existing improvements and overall condition. Although some aspects of the property require updating, the significant acreage and established infrastructure have been taken into account when assessing its position within the current market.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
