Dear Sir/Madam,

RE: Document G403460 MANDURAH TERRACE APARTMENTS.

I phoned your office, last Friday 28/7/97, to discuss the Requisition Notice you faxed me last Thursday, and I was told someone from your Section would contact me this week. I haven't heard from anyone, as yet, so I thought I would give you written advice of the clarification I require.

The Resolution which you claim has "expired" was a Resolution Without Dissent first tabled at our Strata Company's Annual General Meeting on November 17th 1996. According to Section 3A of the Strata Titles Act such a Resolution, if all Lot Owners are not in attendance to signify their vote on that day, any objection has to be lodged with the Strata Company within "28 days after the day of the meeting". I therefore contend that a Resolution Without Dissent cannot be considered to have been "passed", until the expiration of that post-meeting notice period. Any 3 month sunset clause (if it exists) would have to apply to that date (December 15th) not the date of the AGM where it was put to the vote.

Secondly, reading through Section 3A again, I have not been able to find any conditions for a "resolution without dissent" that impose a 3 month limitation in lodging the Change of By-Law agreed to by ALL the Lot Owners under Strata Plan 17133.

I await your careful consideration of the points I've put forward, so the Strata Company can deal with the matter quickly.

Thank you for your attention

Yours sincerely,

A.J. MALONE (Treasurer & Administration Manager)

Dear Sir,

RE: Document G403460 YOUR PHONE CALL ON 5/3/97.

I apologise if your name is spelt incorrectly. It's difficult to work out from a phone message.

Nevertheless, thank you for your call today, and, the reference to Section 42 sub-section 4 to qualify the 3 month limitation on lodging the repeal of a By-Law. However, it doesn't clear up my original question in relation to the Requisition Notice I've received. Just in case you haven't seen the facsimile sent to you yesterday, let me take you through it.

The Resolution which you claim has "expired" was a Resolution Without Dissent first tabled at our Strata Company's Annual General Meeting on November 17th 1996. According to Section 3A of the Strata Titles Act such a Resolution, if all Lot Owners are not in attendance to signify their vote on that day, any objection has to be lodged with the Strata Company within "28 days after the day of the meeting". I therefore contend that a Resolution Without Dissent cannot be considered to have been "passed", until the expiration of that post-meeting notice period. Any 3 month sunset clause would have to apply to that date (December 15th) not the date of the A.G.M. where it was put to the vote. SECTION 42 Sub-Section 4 refers only to "the passing of the resolution" and doesn't refer specifically to any Meeting.

I await your careful consideration of the point I've put forward, so the Strata Company can deal with the matter quickly.

Thank you for your attention

Yours sincerely,

A.J. MALONE (Treasurer & Administration Manager)

Dear Sir/Madam,

RE: Your Lack of a Reply to an enquiry re Document G403460.

I still haven't heard from anyone in your section, in relation to the facsimile I sent to Alex Madden on march 4th, raising an important question that needs to be dealt with.

Your office has prevented the repeal of a By-Law on Strata Plan 17133, because you say the Lodgement was outside the time allowed. However, my previous correspondence explained why I believe it WASN'T OUTSIDE THE TIME FRAME.

Would you please do me the courtesy of reading the following explanation, and providing an official response. By the way, it's very frustrating to be ignored, so I would hope there's some reason why you haven't replied to (or even acknowledged) the 4th of March facsimile.

The Resolution which you claim has "expired" was a Resolution Without Dissent first tabled at our Strata Company's Annual General Meeting on November 17th 1996. According to Section 3A of the Strata Titles Act such a Resolution, if all Lot Owners are not in attendance to signify their vote on that day, any objection has to be lodged with the Strata Company within "28 days after the day of the meeting". Any 3 month sunset clause would have to apply to that date (December 15th) not the date of the A.G.M. where it was put to the vote. SECTION 42 Sub-Section 4 refers only to "the passing of the resolution" and doesn't refer specifically to any Meeting.

I await your careful consideration of the point I've put forward, so the Strata Company can deal with the matter quickly.

Dear Mr Malone

RE: AMENDMENT OF BY- LAWS G403460

Thank you for your letter dated 4th and 13th March 1997 explaining the situation regarding the date of passing a Resolution Without Dissent pursuant to the Strata Titles Act as amended. I apologise for the delay in responding to your initial submission.

Your submissions correctly state the legal position that a Resolution Without Dissent is not passed, unless all proprietors attend the meeting of the Strata Company, until 28 days notice period has elapsed. In this is the case the 15 December 1996 was the date the resolution was passed. Therefore 15 December 1996 should have been stated in G403460, not the date on which the meeting was held. A letter requesting the Registrar of Titles to show the correct date in G403460 will rectify the requisition.

I trust that the above explanation will assist you in this matter.

Your faithfully

FRED CALGINARI

Dear Sir/Madam,

RE: Document G403460.

Following correspondence from the Stopped Documents Sections, I been requested to write to you confirm that the date shown on the Resolution without Dissent has wrongly been stated as November 17th 1996.

The Resolution wasn't passed until December 15th 1996.

Would you kindly alter the Document to show the correct date, so it can then be processed and added to our Strata Plan. In other words, the Amendment should now read:

The Owners of Mandurah Terrace Apartments Strata Plan No. 17133 hereby certifies that by resolution without dissent, duly passed on the **15th December 1996**, that by-laws in Schedule 1 to the Act as they applied to the strata company, were added to, amended, or repealed as follows -

It is proposed to amend By-Laws 17 to 36 (inclusive) put in place by the Strata Company at the Annual General Meeting on 26th November 1995, to delete By Law 31: Mail Boxes.

Thank you for your attention to this request.

Yours sincerely,
