Reason there are fewer than three comparable properties

[X] I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold within the relevant period:

Due to the property's **large land size of approximately 1.95 hectares, Farming Zone classification, existing dwelling and shed, and its unique location adjoining the Maddingley industrial precinct**, fewer than three genuinely comparable properties have sold within the relevant area and timeframe.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
