Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the limited number of recent sales of comparable three-bedroom, two-bathroom units within Newcomb and surrounding areas, particularly properties of a similar construction age, condition, layout and accommodation, fewer than three directly comparable sales could be identified within the relevant period. While other three-bedroom properties have sold locally, many differ in property type, age, bathroom configuration, land size and overall features. Available market evidence has been reviewed and considered in determining the estimated selling price.
