Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the property's unique combination of five-bedroom accommodation, elevated views and substantial 1,068sqm (approx.) allotment, there are no directly comparable recent sales available. The property's size, outlook, land component and overall accommodation set it apart from other properties in the local market, making it difficult to identify suitable sales that accurately reflect its features and appeal. Consequently, a reliable comparison cannot be established using three comparable properties.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
