Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

6A Poplar Crescent, Bellfield is a dual-occupancy property comprising four bedrooms, three bathrooms and two car spaces. While there are recent sales within the anticipated price range, none are considered directly comparable in terms of property type, configuration or accommodation on offer.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
