Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Following a comprehensive review of recent sales within the local market, three properties were identified for consideration: 6 Marissa Court, 16 Coriander Court and 98 Yarralumla Drive, Langwarrin. However, these properties differ considerably in their individual characteristics, land attributes, dwelling styles and overall presentation, making them unsuitable as direct like-for-like comparisons. Furthermore, all three properties transacted outside the current advertised price range of $1,290,000 to $1,360,000. Having been constructed approximately 40 years ago and offered for sale for the first time, 7 Kirribilli Close represents a particularly unique opportunity, occupying an exceptional half-acre allotment rarely available within the local marketplace. Accordingly, we believe these sales do not provide

sufficiently reliable direct comparisons, and our estimated selling price reflects our professional assessment of the property's distinctive attributes and prevailing market conditions.
