Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

No comparable sales have been selected because no suitable sales were available. A thorough search of sales within 2km over the past six months found no properties in a similar condition. The existing home at 75 Spray Street is in very poor condition and is considered a knock-down or major renovation opportunity. Its value lies mainly in the land rather than the dwelling. Comparing it to habitable homes in average or good condition would not accurately reflect its market value, as buyers will factor in the significant cost of demolition, rebuilding or extensive renovation. The indicative selling price has therefore been determined based on the property's land size, position and development potential, with reference to broader land values, market activity and current buyer demand in Rosebud.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
