Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Fewer than three comparable properties have been identified within the prescribed six-month period and 2km radius. The property is unique in that it includes a self-contained studio with separate access, providing an additional accommodation/living offering not replicated in comparable properties that have recently sold within the area. As a result, there are insufficient recent sales with sufficiently similar features to provide three directly comparable properties.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
