Search response:

Your request for a property search on Lot 2 on Plan SP349870 at 79 THORNBILL DRIVE, UPPER CABOOLTURE QLD 4510 has been processed.

At this point in time the Department of Transport and Main Roads has no land requirement from the specified property.

Note:

1. Development proposed on this property may require approval under the Planning Act. This may include referral to State Assessment and Referral Agency for assessment of the impact to state transport corridors and infrastructure.
2. New or changed access between this property and a state transport corridor will require approval under the Transport Infrastructure Act.
3. To see what other State Government planning has been identified in your area, please refer to the online DA Mapping system. Refer to the State Transport and Infrastructure interests under the SARA layers to identify what interests TMR has in your locality.
<https://sppims-dams.dsdlqp.qld.gov.au/dams/>
4. Any properties located in proximity to a current or future State transport corridor may be affected by noise. For existing corridors, refer to the online SPP interactive mapping system. Select the Information Purposes and refer to the Transport Infrastructure. If the property is located in a mandatory transport noise corridor, then Mandatory Part 4.4 of the Queensland Development Code will apply.

Zones, precincts and local plans

Zones and precincts define broad land use allocations in the planning scheme and the associated requirements for different types of development.

The city is divided into 12 zones, and some zones are further divided into precincts. Some land may also be in a local plan.

Overlays and constraints

Overlay maps identify areas potentially affected by particular features or physical constraints. Overlay maps are only applicable if development is proposed. Development can include building and extension works, changing land use, subdividing, filling, excavating and clearing native vegetation.

Land may be subject to more than one overlay.

Not all overlay maps have associated development requirements.

Inclusion in an overlay map does not automatically mean development approval is needed.

State Government Waste Levy

- Council will pay an estimated \$25,400,000 in waste levy payments to the Queensland Government during 2026/27 for household waste to landfill.
- The Queensland Government waste levy for general waste has increased to \$135 per tonne.
- The Queensland Government has paid an amount of \$13,710,111 in the 2026/27 Financial Year to Council to mitigate the impact of the Queensland Waste Levy on households. This will only partially cover the expected cost of the waste levy for household waste in 2026/27.
- Council's Waste Management Utility and Special Charges cover costs associated with managing waste in the City of Moreton Bay, including the gap between the Queensland Government levy charged to Council and the partial rebate received by Council.

Further on site investigation is required to validate the exact location of Telstra plant prior to commencing construction work. A Certified Locating Organisation is an essential part of the process to validate the exact location of Telstra assets and to ensure the asset is protected during construction works. See the Steps- Telstra Duty of Care that was provided in the email response.

The 5 Ps of Safe Excavation

<https://www.byda.com.au/before-you-dig/best-practice-guides/>

Plan

Plan your job. Use the BYDA service at least one day before your job is due to begin, and ensure you have the correct plans and information required to carry out a safe project.

Prepare

Prepare by communicating with asset owners if you need assistance. Look for clues onsite. Engage a Certified Locator.

Pothole

Potholing is physically sighting the asset by hand digging or hydro vacuum extraction.

Protect

Protecting and supporting the exposed infrastructure is the responsibility of the excavator. Always erect safety barriers in areas of risk and enforce exclusion zones.

Proceed

Only proceed with your excavation work after planning, preparing, potholing (unless prohibited), and having protective measures in place.
