Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The agent reasonably believes there hasn't been three sales of similar land size, number of bedrooms and bathrooms and interior updates within 5kms within last 18 months. 43 Christensen Street is newer build, on smaller size 888m² land, and 12 Christensen Street has three bedrooms and on larger sized 2750m² land.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
