The estate agent or agent's representative engaged to sell the property is required to prepare this Statement of Information. It must be used when **a single residential property located outside the Melbourne metropolitan area** is being offered for sale. The Determination setting out the local government areas that comprise the Melbourne metropolitan area is published on the Consumer Affairs Victoria website at **consumer.vic.gov.au/underquoting**.

The indicative selling price in this Statement of Information may be expressed as a single price, or as a price range with the difference between the upper and lower amounts not more than 10% of the lower amount.

Important advice about the median sale price: The median sale price is provided to comply with section 47AF (2)(b) of the Estate Agents Act 1980. The median selling price for a residential property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale price of one residential property sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales

The estate agent or agents representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months.
